How do I define living my "best self"? Living my dream. And now I do - all thanks to travel. I'm Gwen, and ever since my first backpacking Europe in 1995 solo, I dreamt of living here. Even after 30+ years of global solo travel, Europe kept pulling me back - eventually for good. This Gen Xer finally took the leap at 54 and moved from the U.S. to Portugal solo. Travel has always been at the CORR of who I am, but it literally changed my life. Now this American is living her best self after 50 in the same Algarve ?? town first discovered on that '95 trip (and traveling Europe). If my story hits at your CORR, too — stop longing and start living your best self after 50 in Europe using my weekly tools and inspiration. It all starts with travel. ?
