@jacktravels

My name is Jack and I'm a part-time solo budget traveler. I am originally from Thailand, but I live in the USA. Through an exchange program at age 16, I gained a passion for traveling and pondered the idea of recording my experiences for people to see. Here you will find authentic and raw travel vlogs and travel guides. I will bring you engaging content that immerses you in local cultures and showcases the life stories and perspectives of people we meet along the way. Through my videos, I hope to inspire you to live your adventurous lives (outside of your comfort zone), volunteer and make a positive impact on underserved communities, and bring you valuable travel videos.
