Traveling & experiencing the world. Getting to know people, places, food, culture. I'm Ken Abroad – a full-time traveler on a mission to explore the world, one country at a time. I've spent years traveling through Asia, and now I'm expanding to new continents and cultures, always with the same goal: to show you what life is really like in every corner of the world. I strive to learn the most about each country, experience their culture, eat their food, see how they live, witness their daily life, learn about their work, get to know what they believe in and understand their perspective of life. Join the journey & subscribe to the channel if you are interested in traveling the world.
