Hi! We're Nick & Raychel, a Canadian couple passionate about alternative living, travel, and sharing real stories from the road. Our journey began teaching English in Southeast Asia, which opened our eyes to life beyond the traditional path. Since then, we've lived on multiple continents, embraced minimalism, and explored ways to live freely. From building a DIY camper van and road tripping across North America to slow traveling internationally and discovering unique stays, we share weekly content with travel tips, work advice, cultural experiences, and vlogs full of street food, hidden gems, hikes, and life on the road.
