@penguinsix United States, Washington DC

I'm a freelance photographer for the Washington D.C. media who makes up for the time when I'm not taking pictures by making videos of my life and life in the Nation's Capitol. An American who lived in Hong Kong for the past decade (and misses the food) I've now returned to Washington DC, with a giant dose of reverse culture shock smashing me in the face every-single-day. I go for walks regularly (to lose weight) and let you see what I see, which is sometimes pretty crazy. I'm not political though I used to work in politics. I'm really just a guy who likes to go for walks and talks about history and whatnot. Of course, when you walk around a city like Washington DC and work as a freelancer in the halls of government, especially in these times, you see some pretty crazy things...
