An Indian couple exploring this wild world, one experience at a time. :) Hi! We are Pooja & Shravan, an illustrator-engineer duo from Bangalore brought together by the love of travel and adventure. We have traveled together since the winter of 2016. On one such trip, we started documenting these travels on a humble phone camera. We soon realised that we really enjoy capturing these experiences. We are entirely self taught (students of the internet) and have learnt from binging on brilliant creators over the years. In our videos you might find glimpses of places that are not spoken about enough. Our vlogs are sometimes vlog-ish and sometimes a documentation of the place as we see it. We hope that watching these videos will bring a little dose of joy to your day. We love reading your comments and hearing your thoughts. They motivate us and help us keep going. Leave us a comment if you think of something. It'll make our day! With love, Pooja & Shravan
