@sistersnacking United States, Boston

We're Sistersnacking, four sisters who love, well, snacking. We grew up in Glastonbury, CT and the majority of our fondest memories revolve around food. As a family of six, sometimes it's easier to go out to eat than cook and we find ordering family style is the best way to do it. None of our holiday's are complete without our Grandma Bobbi's carrot souffle. We have a sneaking suspicion that our mom Suzi's oreo balls are the reason we got invited to so many birthday parties growing up. Every Super Bowl viewing had to have an endless supply of our dad Alan's chicken wings. Madison's obsession with Diners, Drive-Ins, and Dives took us on many road trips. And we took our parents' rule, that we could order whatever we want so long as we ate it, a little too much to heart. We love trying new foods and restaurants and exploring new cities and can't wait for you to snack with us!
