

University of Birmingham

YOUTUBE @unibirmingham United Kingdom, Birmingham

The University of Birmingham is one of the most popular UK universities, offering diverse opportunities for study and research. From 1900 to the present day, the University of Birmingham has been at the forefront of both national and international research, leading the way in making ground-breaking progress in areas that span industries such as gene structure, medicine, space research and communications. We are changing how the world works. A global reputation, quality learning and teaching, excellent facilities, a stunning campus and great city are some of the reasons making Birmingham a great place to study and live.
