Ismail & Saransh who met in college 10 years back and loved taking DIY adventures! Since then we felt a lack of reliable first-hand travel information for adventures we wanted to take. So we decided to document travel information about all our travels so more people like us can Xplore! We make Travel Videos, write Blogs and are trying to build a Community of Responsible Travellers and Adventurers! Our Manali to Leh cycling trip was published in Lonely Planet Magazine India, in April 2019. Visit our Website - XploreTheEarth.com to learn more about us and stay in touch!
